Thoughts from the Principal

Student learning continues to be maximised at our fabulous school captured in an array of showcases over the past weeks.

I have very much enjoyed the HSC Performances and Exhibitions from Drama, Music, Visual Arts and Industrial Arts –Timber. It is truly amazing what 17 and 18 year olds can produce in their almost seven terms of studying these courses. We wish them well as their HSC practical examinations occur and works are marked in coming days.

Another special event in the past week was the Year 5 Enrichment Showcase, where selected students from our seven Community of Schools who have been working on a theme of Sustainability unveiled their projects. It was a joy to have these students in our school over several Wednesdays, hearing about how much fun they had in their STEM-based learning with a team of teachers led by Mrs Henderson.

We also go to press with very exciting news about our Baseball team, Dance troupe, and Netball team – all winners in their respective competitions yesterday. Well done!

Finally, the showcase extraordinaire – Southern Stars – featured many of our students last week including musicians, dancers, sound and lighting technicians and a very enthusiastic compere (aka our very own Year 11 President). I look forward to hosting a Principal's reception with these students on Friday to celebrate their incredible commitment over the past few months and one very spectacular production.

Enjoy reading our Week 7 news of our students experiencing success in learning.

Mrs Karen Burke
Principal

PBL Core Values

WEEK 7: SAFETY

Play approved games only in the playground

WEEK 8: LEARNING

Move quickly back to classroom at the end of breaks

From the Deputy Principal

Figtree High School is a Positive Behaviour for Learning school. We have three focus values of safety, respect and learning which are our foundation for all expectations in our school. It has been a growing concern that many of our students are frequently arriving late to school, which impacts on their learning.

Our school day requires students to be at school no later than 8:35am so they can maximise their learning by arriving to Roll Call on time where important communication is conveyed each day. Period 1 commences at 8:46am and many students still arrive after this making it an added challenge to learn new concepts at the beginning of a lesson.

We understand that from time to time there are valid reasons why students are late and we appreciate a note of explanation in these circumstances. We would also like to remind you that the Deputies and Year

Advisers are available to support your child where the lateness is due to wellbeing concerns.

Over the next two weeks, the Deputy Principals will be welcoming students at the front gate each day, and guiding late students straight to student reception. We appreciate your support in ensuring your child is at school no later than 8:35am as we commence our Right Place, Right Time focus.

Creative and Performing Arts News

Term 3 is always a busy term within the Creative and Performing Arts. Having completed the Trial HSC recently, Mr. Malouf's Year 12 Music class is now diligently preparing for its performance examinations which take place at the school on Wednesday 14th September. We have some talented students who are hoping for high grades and we wish them luck.

Our Year 11 Entertainment Industry class is excited to be involved in Southern Stars as a part of the production team. By the end of the week they will know the Wollongong Entertainment Centre like they know their own homes. We have students representing us in the Audio, Lighting, Props and Stage Management teams. If you are going to Southern Stars, keep an eye out for some familiar faces dressed in black keeping the show going for thousands of performers and teachers. This opportunity is part of the Work Placement Program for VET students studying for the Certificate III in Live Production and Events.

Students have been working well with Ms. Wunsch to create a colourful Stop-Motion movie that highlights the 2016 theme of Harmony. Students have put in a fantastic amount of effort during this collaborative film making challenge. We will now 'Flick On' our short movie to Nareena Hills Primary School where it will have voice over and sound effects added.

The Community of Schools 'Flick it On!' project will finish with a screening of all participating school's films, to be held here at Figtree High School, on October 12th Term 4. A time will be announced in the next bulletin.

We Cheerfully Introduce: The Creative and Performing Arts Committee 2016

Creative and Performing Arts is excited to introduce the CAPA Committee: a selection of talented students dedicated to the promoting the creative arts. This team of students have been actively participating in Figtree High Schools Creative and Performing events including Golden Figs Talent Quest, Creative Cupcake Day, Drama Night and the upcoming HSC Music Night and Art Exhibition

Creative Cupcake Day

This month CAPA Committee displayed their creativity by baking and selling cupcakes. The designs included mini cupcake 'hamburgers', 'milkshakes', 'starry night' and a range of other clever toppings. As a team, CAPA Committee raised an impressive \$464.76 for the

Creative and Performing Arts. Thank you to everyone who baked and purchased cupcakes.

HSC Drama Night

Students from CAPA Committee were also involved in HSC Drama Night by helping behind the scenes. A special thanks to Samuel Birch, Madison Gruveska and Krissie Skarvelis for Photographing the event and to Aaron Williams and Bethany Brighton for lighting and sound. Well done to Ms Cook and Ms Schroder for all their hard work in raising over \$400 that can be spent on resources for our CAPA students

Southern Stars 2016

We would also like to wish our Southern Stars Dancers and Mrs Bennett all the best for their performance in this year's Southern Stars.

Senior Visual Art Camp 2016

This camp was established through the awarding of a regional grant to establish more opportunities for Senior Visual Art students in the region. The Senior

Visual Art Camp 2016 is exclusive to Stage 6, gifted and talented Year 11 students working toward developing a HSC Body of Work in 2016/2017. This fantastic opportunity will take place at Bundanon Trust situated near Nowra on the South Coast of New South Wales. Students will explore all elements of the NSW Visual Arts syllabus in a series of workshops, mentoring sessions and skill-based activities under the guidance of established resident Artists, education officers and experienced Visual Arts teachers. Congratulations to Ms Brewer for receiving the grant and its coordination for three consecutive years.

Congratulations to the following successful Year 11 and Year 10 students who will be accompanied by Ms. Brewer:

- Samuel Birch
- Shannon Newman
- Nova Tucker
- Bethany Brighton
- Olivia Jacobs
- Chloe Nikolovski
- Camelia Ali
- Madison Grueska
- Lachlan Milne
- Kiara Nedic

Year 12 Visual Arts Showcase 2016

The faculty would also like to thank all of those who attended the Year 12 Visual Arts Exhibition, 'Collective Imagination' Opening Night.

Mr. Peter Hewitt

The NSW CHS Athletics carnival will be held at Sydney International Olympic Park from the 7-9 September 2016. We wish all our students the best of luck.

State Boccia Finals

On Wednesday 10 August, Figtree High School's Boccia team competed in the State finals at Sydney Olympic Park.

The following students were involved:

- Sarah Wharton
- Ashley Hanson
- Ryan Phillips
- Blake Shepherd
- Clara Bates
- Maddy Davies

The students displayed excellent sportsmanship and after two wins and 2 losses were ranked sixth in the state. This is an amazing achievement out of 90 schools competing in this competition. This was also the first time we have had a junior team compete.

As a result of this competition, four of our team have been identified as showing potential by Boccia NSW and have been invited to attend the Junior Boccia National Titles Camp to be held in November.

We would like to thank the following companies for sponsoring the team shirt:

Sport Uniform Update

The following sport uniforms are currently available for purchase from the PDHPE Faculty:

- Girl's shirt and shorts
- Boy's shorts

The supplier has indicated that boy's shirts will be available from 5 September.

Hopefully from this point forward the issue of supply will have been resolved.

If there are questions or concerns regarding the supply of the sport uniform please feel free to contact Mr Smart (Head Teacher PDHPE) at the school.

Excursions and the Use of Private Vehicles

With a number of our Year 11 students obtaining their Provisional Licence, we would like to answer some common questions parents may have around the Department of Education's policies and procedures in relation to the use of private motor vehicles.

Can parents, students and other community members use their private motor vehicles for department activities?

If students are required to attend departmental activities away from the school or institute site, parents, community members or other students may provide transport to and from the activity subject to the following conditions:

- Written permission from the parent(s) of the student being transported is obtained.
- If students are transporting other students, written permission from the parent(s) of the driver must also be obtained to not only use the vehicle but also to transport other students.
- The driver must be licensed. If issued with a provisional licence, the driver must comply with any [relevant peer passenger conditions](#)
- The motor vehicle must be registered.
- The number of passengers in the vehicle must not exceed the number of seat belts or in the case of larger vehicles, the number of passengers that the vehicle may be licensed to carry.

Current driver's license and car registration details must be sighted prior to giving permission for students to be transported in the vehicle. Comprehensive car insurance of any kind is not required.

Transporting students in parents' or other students' vehicles should only occur in those circumstances where there is no other feasible option available to provide the transportation.

Can students drive to and from school?

Students who are licensed drivers may drive to and from school. This is the decision of the student, their parents or carers and the owner of the vehicle
