Year 12 Purple Year 11 Olive Year 10 Blue Year 9 Red Year 8 Green Year 7 Orange	

### Thoughts from the Principal

Welcome to the final newsletter for Term 2 – a highly productive term.

Thank you for your support of our school this term. Your partnership with our school is greatly valued.

Reports have been issued and many students recognised for their commitment to learning, improvement, outstanding attendance and school and community participation. It was a privilege to attend the

Merit Assemblies and witness the many students aiming for excellence in their studies, in their leadership and in performances. Thank you for attending and celebrating with us.

Whilst on holidays, you may enjoy visiting the Wollongong Youth Services Centre on the corner of Keira and Burelli Streets where 35 of our students from Years 8-12 have photographs displayed in the 'I love Wollongong because...' exhibition. You may have already gained a sneak peak when they were displayed at our amazing Shakespeare Festival.

We have also recently celebrated the selection of Phillip Cancar into the NSW All Schools U16's Football Team to compete at the Pacific School Games in Adelaide in the State Soccer Team and our Rugby League team moving through to the State Final of the Country Cup. They will be the Southern NSW representative team. Congratulations to all of these students.

Staffing update for Term 3. We warmly welcome Mr Glyn Trethewy to the role of R/Deputy Principal whilst Ms Morgan is seconded as a NAPLAN Training Officer. Mr Trethewy comes to us as a substantive Deputy Principal from Camden High School and brings a wealth of expertise and experience to the position for the remainder of the year. He will be looking after Years 7, 9 and 11 in Term 3.

On behalf of the P&C, I would like to encourage you to consider purchasing the Entertainment Book. It raises \$15 per book and is full of great vouchers. They have other fundraising opportunities coming up in Term 3 that will support much needed resources for our school.

Enjoy reading about our student's successes in this edition. I wish your family a safe holiday break and look forward to capturing your child's successes in our Term 3 newsletters.

Mrs Karen Burke  
Principal

## PBL Core Values

<b>WEEK 1:</b>	<b>Safety</b> Walk sensibly in the corridors and keep to the left
<b>WEEK 2:</b>	<b>Learning</b> Stay on task and do your best

## PDHPE Faculty Report

Semester One has again been a very busy semester in relation to school sport. We have entered many competitions and our students have trialled to represent the school at regional and state level. If you have been following the school Facebook page you will have been informed of the following achievements. Either way the following is a summary of our outstanding achievements this semester;

14 Boys and 16 Boys Futsal Teams – South Coast Champions – they will compete at the Football NSW State Futsal Championships at Penrith in the first week in August

Open Boys Cricket team – travelled to Bathurst twice at the end of term 1 to play and make the NSW CHS Final (Davidson Shield) – they were runners up to Epping Boys.

Open Boys Rugby League – have qualified for the NSW Country Cup Finals to be played in Cootamundra on July 27

Open Boys Football (Soccer) – have qualified for the NSW CHS Quarter Finals after defeating Karabar High School in the South Coast Semi Final and Northmead High School in the Round of 16.

Northern Illawarra Zone Athletics Championships – Figtree High School defended its 2016 Champion School title on Friday 23<sup>rd</sup> June at the Kerryn McCann Athletic Centre. Waiting for official results but from

observations of results on the track we have defended that title very well. Successful athletes will travel to Canberra for the South Coast Championships on Friday 4<sup>th</sup> August.

The following students have qualified for the NSW All Schools Cross Country Championships at Eastern Creek Race Way on Friday 21<sup>st</sup> July

Zane Howard – 5<sup>th</sup> 13 Boys

Ned Glasgow – 3<sup>rd</sup> 14 Boys

Cameron Lodge – 1<sup>st</sup> 16 Boys

Jayden Smileski – 2<sup>nd</sup> 16 Boys

Kayden Hill – 6<sup>th</sup> 18 Boys

Travis Anderson – 10<sup>th</sup> 18 Boys

Matthew Calder – has gained selection in the NSW CHS Cricket team. They will play in England during the July School holidays

Zac Lomax – has gained selection in the NSW CHS Open Boys Rugby League team. He will compete at the Australian School Boy Rugby Championships in the 2<sup>nd</sup> week of the July school holidays at St Mary's in Sydney.

Phillip Cancar – has gained selection in the U16 NSW All Schools Football team. This team will compete in the Pacific School Games in Adelaide in November.

Some other points of interest;

Payton Williams and Jarrod Buick recently competed in the Australian Gymnastics Championships in Melbourne. Jarrod has been successful in gaining selection in the Australian team and will compete at the World Championships in New Zealand during Term 3.

Zac Lomax – played in the NSW U18 Rugby League team vs Queensland at Stadium Australia prior to Origin 2. Many Figtree staff/students and friends watched this game that was streamed live. Zac played a pivotal role in the NSW win kicking a field goal at a vital moment in the game.

As you can see Figtree High School is achieving outstanding success in a range of sports. I would like to take this opportunity to acknowledge all the students that engage in our sport program and represent the

school at the vast amount of sports in our sports program. Our outstanding success also can be contributed to those who wish to be active and represent their school at sport.

Well Done to you all and we all look forward to more success in Semester Two.

Mr Smart  
Head Teacher PDHPE

---

## **CAPA Committee Report**

---

The end of Term 2 is always an exciting time for Creative and Performing Arts as we find opportunities for students to perform at Merit assemblies and we have a range of these from all year groups.

We also have a representative from our faculty, Music teacher Mrs Jill Murphy, leading at the State Music Camp and lots of great work and learning from our students to reflect on and be proud of.

### **Shakespeare Festival**

The Creative and Performing Arts faculty proudly collaborated with the English/Drama faculty and our COS schools to present a multimedia performing and visual arts event based on the works of William Shakespeare and associated muses. Our wonderful student performers and artists climbed to great heights and delivered work of an excellent standard that entertained from start to finish.

The evening is best told in the following series of photographs:

*Artworks and decorations adorn the Gymnasium where musicians and actors gave 'busking' style performances.*

*A sample of the amazing artworks on display.*

*Mrs Burke enjoyed chatting to Georgia Sturman (Year 10) and Josh Panayiotou (Year 11) during the exhibition.*

*Jackson Page performed in the Gym and on stage in the Auditorium*

*Musicians from Figtree Heights Public School joined our band for the evening.*

*Mr Greg Costello from Figtree Heights Public School deserves a huge thank you for his help in bringing these young musicians along for rehearsals.*

*One of the dance sequences from "A Midsummer Night's Dream."*

*"Macbeth"*

*"The Tempest"*

*More from "The Tempest" - tremendous performances from these actors!*

*"The Tempest" opened the show with this exciting dance sequence.*

*Dorian Ruddell explored a contemporary Hamlet - "To Be or Not To Be" - in this visually stunning and engaging piece.*

*Our technical team was excellent and provided great support.*

We thank Figtree High School and our community for supporting this project, in particular the P&C, and Senior Executive, Mrs Burke, Mrs Clifford and Ms Morgan.

CAPA looks forward to again collaborating with the English/Drama faculty and we thank Mrs Angela Mintzas and Ms Abbey Munro for their creativity, expertise and inspiring teaching. We also enjoyed the opportunity to work with musicians and artists from our Community of Schools and hope to continue this partnership on a regular basis.

### **A word from the Director! - Angela Mintzas**

The Shakespeare Festival was a huge success in that it showcased a range of talents from our students. As the director, my vision was to encompass music, drama, dance and the arts in a pastiche of why we study Shakespeare in our school. The students engulfed the scripts with passion and energy which brought Shakespeare to life through both traditional and modern interpretations of Hamlet, A Midsummer Night's Dream, Macbeth and The Tempest. Shakespeare's plays have always been studied in schools and our students understood the relevance of his ideas and themes in today's society.

I would like to thank Miss Abbey Munro for her directing skills and her passion for the performing arts. Congratulations to all our students who took on board this opportunity of bringing Shakespeare to life on the stage.

*To thine own self be true, and it must follow, as the night the day, thou canst not then be false to any man. Hamlet*

### **Community of Schools Visual Art competition**

Many of our talented Figtree Community of Schools Primary students took part in our Shakespeare Festival Art Exhibition. Students creatively responded to a brief from Shakespeare play 'Macbeth'.

Festival attendees got to vote on these magnificent artworks on the night and the 'People's Choice Award' Winner is Timothy Mocan from Figtree Primary School, class 5/6LW. Students created some spectacular artworks that really added to the Festival on the night.

All participating students are commended on their attention to detail and their creativity.

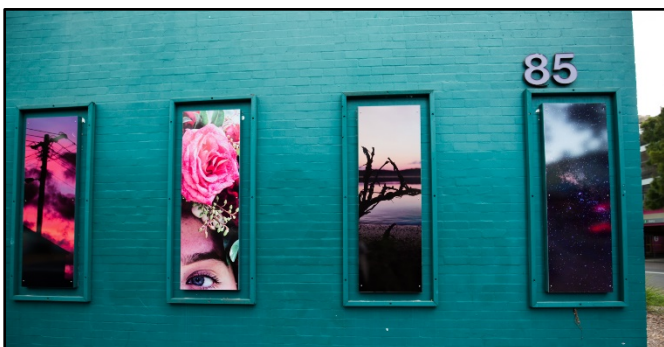

### **"I LOVE WOLLONGONG BECAUSE..." Photography Exhibition**

Figtree High School's contribution to the "I Love Wollongong Because..." photographic exhibition was unveiled on Friday, 23 June 2017.

The exhibition, hosted by the Wollongong Youth Centre, was opened by Wollongong Lord Mayor, Gordon Bradbury and features some amazing photographic works from our students.

The display on the external walls is visible on the corner of Burelli and Keira Streets in Wollongong and it is definitely worth the walk from Crown Street between now and 18 September 2017. Photographic works from Figtree High School students are also on display inside the Youth Centre.

*Some of the photographs on display.*

*Lord Mayor Gordon Bradbury opens the exhibition.*

*Mrs Burke with student photographer, Clara Lazova.*

*Proud Photographic and Digital Media teachers, Ms Lucy Pulham, Miss Melissa Cook and Mrs Sarah Basham stand in front of photographic works from Figtree High School students.*

I am extremely proud of the hard work and dedication of all of the CAPA staff members during Term 2. They have inspired, led, delivered great teaching, and given students opportunities to produce exemplary works of art and music performances.

M Malouf, Rel. Head Teacher  
CAPA

## *Sport Report*

---

### **Puma Cup Open Boys Soccer Knockout**

The boys are representing Figtree High with distinction this campaign. Recently on a tour to Canberra to play Karabar High School the boys behaviour, attitude and team spirit were excellent. This was our third trip in a row against Karabar and we finally got the result 3 -2.

Our next match was as host to the Sydney West team Northmead High School. They began well and we were in trouble early but for a last ditch clearance by our rock in defence, Tyren Maclou. Once we settled and found our rhythm there was no stopping the boys who went on to record a 5 – 1 victory. Alex Masiovecchio once again was spirited in attack, scoring one and setting up Jordan Hondroudakis for two tap-ins.

Our next match sees us into the state quarter-finals against either Menai or a road trip to Dubbo.

Mr Smith

### **School Athletics Carnival**

Our school athletics carnival was held on Friday 26 May 2017. We had maximum participation on a beautiful day. It was great to see so many of our students competing in a variety of events. Congratulations to Matthew Hobbs who broke the 17+ boys discus record. The record had stood since 1983 with a distance of 38.15m. Matthew threw 40.53m. Congratulations to the following students who were the Age Champions:

Boys / Girls

17+years - Colin Sharman Payton Williams  
16 years - Jayden Smileski Ashleigh Long  
15 years - Benjamin Plumb Natasha Hynoski  
14 years - Sam Sharpe Alyssa Parks  
13 years - Zane Howarth Nikita Stanford  
12 years - Samuel Tobin Charlotte Simpson

The winning house for the day was Gurri

effort, as some of the boys have not played hockey before today. Our goal scorers were Jake Sheppard, Matthew Calder and Jackson Page who all scored 2 goals. Our next opponents will be Moss Vale High School.

### Regional Cross Country

On Friday 2 June 2017 the South Coast Area Cross Country Carnival was held at Willandra in Nowra. Congratulations to the following students who placed in the top 10 runners and have progressed to the NSW CHS Cross Country Carnival which will be run at Eastern Creek on Friday 21 July. Kayden Hill in 18's placed sixth, Gavin Anderson in the 18's came tenth, Zane Howarth in 13's placed fifth, Ned Glasgow in 14's placed third and in the 16's Cameron Lodge was Age Champion with Jayden Smileski placing second.

### Boys Hockey Knockout

Congratulations to our boys hockey team who recently defeated Smiths Hill High School 6-3. This was a great

### South Coast Touch Football

In Week 1 of Term 2 Molly Westwood participated in the U15s NSW CHS Touch Championships in Mudgee. Molly was part of the South Coast team.

The team came fourth overall and Molly played exceptionally well.

### Rugby League

Congratulations to Zac Lomax who recently competed at the NSW CHS Rugby League Championships in Toronto. Zac was selected in the NSW team that will compete later in the year. A special mention also to Matthew Nicholson and Matthew Delbanco who narrowly missed out on selection into the NSW team.

## Boys and Girls South Coast Hockey

Jake Sheppard recently competed at the NSW CHS Hockey Championships in Murwillumbah. His South Coast team played some tough games but made the finals. They lost the finals, however, Jake played extremely well.

Emily McKinnon also played at the NSW CHS Hockey Championships in the South Coast team. The girls hockey tournament, however, was played at Tamworth. Emily was selected as the goalie for the team. The South Coast team had an excellent tournament and made it into the finals. They unfortunately lost the final however 2nd place is an awesome achievement.

## South Coast Football

Three of our students, Phillip Cancar, Emanuel Hondroudakis and Tyren Maclou recently played for the South Coast Football Team at the NSW CHS Football Championships in Griffith. A huge congratulations to Phillip Cancar who was successful in making the CHS 1's starting team and was the South Coast MVP. Congratulations to Tyren and Emanuel who made the shadow team for the CHS 1's. All of these boys have been praised by their coach. The coach said "the boys were nothing short of sensational on the park and off the field were respectful and absolute gentlemen". Such great news to hear about our students. Tyren was also the recipient of the Ben Maher trophy.

## YOUTH ENDEAVOUR

The Young Endeavour Youth Scheme is a not for profit organisation which provides young Australians aged 16-23 with a unique, challenging and inspirational experience at sea aboard the national sail training ship Young Endeavour. For over 20 years, the Young Endeavour Youth Scheme has been recognised internationally as a leading youth development program.

Our voyages increase self-awareness, develop teamwork and leadership skills and create a strong sense of community responsibility amongst members of the youth crew. Young people reap enormous benefit from the Young Endeavour Youth Scheme's sail training program, and in turn, the Australian people also benefit as participants recognise their potential to make positive contributions to the community.

Young Endeavour undertakes around 20 voyages each year, mostly along the east and south coasts of Australia. Each voyage we embark 24 young Australians - the youth crew - and nine specially trained Royal Australian Navy crew, usually for an eleven day adventure at sea.

### APPLY NOW FOR THE BALLOT TO SAIL WITH STS YOUNG ENDEAVOUR IN 2017.

The ballot is now open for applications, eligible young Australians aged 16-23 can apply for Youth Development voyages sailing through to December 2017. Voyage berths are allocated by ballot, and through our Scholarship Program.

You don't need to be a sailor, most people have never sailed before. You do need to be an Australian citizen or permanent resident aged 16 to 23, be able to swim 50 metres, be in good health, and weigh less than 120kg. Voyage fees apply.

On board you learn to sail a 44 metre tall ship on the open sea. You are involved in all aspects of sailing a square rigger from climbing the mast, setting the sails, navigating, keeping watch, taking the helm and helping in the galley trained by a professional Navy crew who are there to ensure the highest standards of safety and care.

A Young Endeavour voyage is not a leisurely cruise. It's challenging and exhilarating. You meet and live with people from across Australia, from all walks of life, many of whom may become your closest friends.

It's free to submit an application. Voyage fees apply for successful applicants. For more information see our website.

"Young Endeavour is a truly amazing experience, quite unlike anything I could have imagined. It has helped me discover more about who I really am." Youth Crew Member, Chris from NSW.

Please feel free to use any of the images from our Gallery at <https://youngendeavour.gov.au/gallery/ship>

## **\$100 REBATE TO COVER CHILDREN'S SPORTS FEES**

As part of the 2017-18 Budget I am pleased to advise that the NSW Government has launched the '**Active Kids Rebate**'.

This program will provide a \$100 rebate towards sporting fees and registration costs for each school-aged child in NSW. The health of our children is a priority for me and every parent. I hope this rebate makes a difference to enable parents to enrol their child in the sport of their choice.

Families will be able to claim the rebate on items such as sports registration and membership costs, as well as swimming lesson fees.

The annual rebate **will not be means tested** because the NSW Government wants every child from every family to get involved and get active. The rebate will be available for every school child wanting to get involved in community sport and fitness. Parents will be able to claim up to \$100 per school child, per calendar year, as a voucher to reduce the cost of sport registration or membership for after-school and weekend sport, and active recreation activities.

A comprehensive list of eligible sports and activities will be finalised following community consultation ahead of the start date early next year, to allow providers to register with the NSW Office for Sport.

More details are available on the NSW Office of Sport website <https://sport.nsw.gov.au/>.

**Parliamentary Secretary for Education**

# KNOW YOUR CONSUMER RIGHTS UNDER THE NDIS.

Do you know your rights when hiring services and buying goods?

NSW Fair Trading deliver free facilitated workshops to community groups, service providers and carers about supporting NDIS participants with their consumer rights when entering into a contract, hiring a service or when making a complaint.

Under the NDIS people with disabilities will be able to manage their own funds and choose the services and products they wish to use.

Fair Trading is providing an information session about the actions people can take to protect themselves as consumers, including what to look out for and how to complain if something goes wrong.

This information session is open to people with a disability and their carer.

This session will provide information to assist consumers with disabilities to understand their consumer rights when:

- ☐ Entering a contract / service agreement
- ☐ Hiring a service
- ☐ Making a complaint
