Friday 22/9/17	Year 11 - First Aid Course
Year 12 Purple Year 11 Olive Year 10 Blue Year 9 Red Year 8 Green Year 7 Orange	

*Thoughts
from the
Principal*

Welcome to our Week 7 Newsletter.

Whilst we celebrate the success of our students in each of our newsletters, today I would like to acknowledge the tragic loss of our Year 9 students, Capreece Wax, who passed away 19 August 2017.

Capreece was farewelled in a celebration of her life last Tuesday where a very large group of family and friends shared in memories of a happy girl who really embraced life.

Though an incredibly sad time for our school community, I have been humbled and proud of the way our students, staff and wider community members have supported one another in their grief. As a community, our thoughts are and will continue to be with the Wax family.

Please be assured our Counsellors, Year Advisers and Deputy Principals will be available to your children throughout the year.

Warm regards

Karen Burke
Principal

PBL Core Values

WEEK 7:	Safety Play approved games only in the playground
WEEK 8:	Learning Move quickly back to the classroom at the end of the break
WEEK 9:	Respect Be at the Canteen only to buy for yourself
WEEK 10:	Respect Put rubbish in the bins

Deputy Principal's Report

Year 7 and 9 NAPLAN

NAPLAN results have been distributed to all students in Year 7 and 9. Parents have also been notified of additional online NAPLAN testing that will occur later this term. Year 9 students from this year onwards will need to achieve a minimum of Band 8 in reading, writing and numeracy in order to be eligible for the awarding of their HSC in 2020. Information regarding these additional testing, the timing and the make up of these tests will be available next year. Students will be able to undertake an additional literacy and numeracy test over the next three years to demonstrate that they have achieved these minimum literacy and numeracy standards.

Year 11 End of Course Examinations

Students are currently completing the final part of their preliminary course work and are about to undertake their final assessment period for their courses. The end of year examinations will be held in the Auditorium during week 9 and 10 of this term. It is an important part of preparation that students undertake a study regime, prepare summaries of course work and attempt revision questions to consolidate their knowledge in the lead up to the examinations. Parents can support their children through this time by ensuring where possible there are adequate provisions for a separate, quiet environment, conducive to study that is free from distractions like television.

A timely message – Password protection and safety on line

Social media and the internet are wonderful tools that keep us connected. Students today have a wide circle of connections and access to information like never before. With this freedom comes the need to ensure that online identities and data are protected. Students should never share passwords. If they do they can be held responsible for social media posts and actions that originate from their accounts. Similarly, students who access and use other peoples passwords are operating

in the area of identity theft.

The Office of the eSafety Commissioner has recently received several online complaints about compromised student Snapchat accounts. The issues came about after the release of a new Snapchat feature - 'Memories' - where users can keep content in a secure archive on their phone. This includes a section called "My Eyes Only", a PIN protected area where snaps can be stored.

The Office of the eSafety Commissioner and NSW Department of Education strongly warn against students sharing their Snapchat account passwords with anyone (even friends) as this may grant them access to all content, which may then be shared without permission.

Please ensure your child is safe on line, monitor their online activities and talk with your child about setting strong passwords/PINs for all accounts. They should never give out confidential information and passwords, even to friends.

Glyn Trethewy

Relieving Deputy Principal, Year 7, 9 and 11

Wellbeing Report

Year 7

Well we are now well on the way to seeing Year 7 complete their first year of Secondary School at Figtree High School. The transition from Year 6 to Year 7 has been a very smooth one and we are seeing that most students are enjoying the learning experience at high school and are looking forward to the challenges ahead.

Leading up to the end of the term and at the start of term 4, the students will start to get an array of assessment tasks for various subjects which will be assessing their knowledge and understanding ready for the reporting period at the end of term 4. We ask that all parents keep themselves aware of these tasks and that they acknowledge the extra work the students will be putting in during these periods. If there are any issues at all, please get the students to check in with their classroom teachers or year advisors for any extra help or guidance they may need during this period. We all understand that this process is still quite new for everyone involved and we will all do our best to make

sure all students are supported in this process.

We'd also like to remind all students to be diligent with their RSL's and merits as we have a special excursion at the end of the year for all students that have attained their Bronze certificate and above. If all parents and carers could remind their child, then that would be very helpful.

Well on behalf of Mr Herbert and Mrs Basham we hope that you are all enjoying your first year at Figtree High School. Please remember to touch base with us if there are any issues no matter how small and we look forward to witnessing your great achievements in second semester.

Year 8

This term Year 8 have been busy finding out about the many different elective subjects available for them to study in Stage 5 next year. They have attended an information evening and spoken to many teachers and faculties about the possible opportunities offered to them. This has enabled all Year 8 students to make wise and informed choices as they will be studying three elective subjects for the next two years. They have completed the online submission process and will find out their final choices in the near future.

Year 9

On the 26 July 2017, 6 brave teachers and 58 energetic, Year 9 students met at midnight to begin their three day snow adventure.

Day one was full of excitement with our very first ski boarding experience at Perisher. The conditions tested our resilience but the excitement was still electric. Day two we were rewarded with amazing sun shining and testing new ground at Mt Bluecow, some students showing natural talent. On day three, a short day on the ski fields then the trip home. Overall a wonderful experience and opportunity for the students to try something new and to build new bonds. A special thank you to the teachers Ms Harris, Ms Munro, Ms Harvey, Mr Hudson and the Karaoke king Mr Smith.

Year 10

Year 10 have been busy considering their subject selections for Year 11. The information evening in Week 3 encouraged students to consider their passions and career options, with many teachers on hand to answer any queries that they had. It was pleasing to see so many students eager to make educated choices that would benefit their future.

In Week 9, Year 10 will participate in the RYDA excursion at Kembla Grange Racecourse. RYDA is designed for 15-18 year olds as they begin to drive or ride in cars driven by their peers. The program focuses on attitude and awareness with the aim of equipping young adults to stay safe on our roads. This program is not just for drivers, but young people as passengers too. Permission notes and payment for this excursion are due on 4 September 2017. This is an extremely valuable opportunity to learn about safe driving and being a responsible passenger.

Year 11

Around 100 Year 11 students purchased a school jacket designed specifically for their year which fortunately arrived in time for the cold weather. Staff and members of the community are constantly commenting on how smart the students look and what great representatives they are for Figtree High School. The jacket is also a worthwhile memento for students to keep in the years to come as each student's name is printed on the inside of the jacket.

As Year 11 students are aware, the Preliminary Yearly examinations will be held in Weeks 9 and 10. This means it is now only two weeks before the examinations commence.

Each student has recently completed lessons on effective study techniques and now is the time to put these skills into practice. Students should already have begun using their study time wisely, constructing study notes and revising the relevant topics in their courses. They are encouraged to seek the help of their teachers.

Students and parents/carers are advised to review the policies and guidelines in the Preliminary Course Assessment booklet which was issued to students at the beginning of the year. Please let the Year Advisers know if a significant issue arises which may affect examination performance and they will endeavour to support the student in the best way possible.

Year 12

Year 12's last term is action packed with a number of important events. The trial HSC exams were in weeks three and four, students were given the opportunity to sit their exams under similar conditions to the HSC, with non-school personnel supervising. Giving them an authentic experience of having strict guidelines to follow in regards to equipment and conduct and having strangers supervise them. This will go a long way to putting them at ease in October when the HSC exams commence on Monday 16 October.

The fortnight of exams saw a lot of stress in the air, students managed to soldier on showing immense resilience and competent coping skills – we believe the Wellbeing/Study Day, held last term, played a significant role in encouraging such positive and productive behaviour in our year 12 students.

After exams, students were back into the full swing of things with normal school lessons on the agenda. With the finish line in sight, students still need to continue a diligent and sustained effort toward completing their subject courses, final assessment tasks and submitting Major Works and Body of Works. Due in August are: English Extension 2 Major Work, Industrial Technology Timber Major Work, Visual Arts Body of Work and Drama Projects. With Music and Drama performance dates to be advised when NESA releases dates.

The excitement of the last week of school is fast approaching. Monday and Tuesday of week 10, students are expected to attend normal timetabled lessons until the end of each day. Wednesday 20 September, we have our traditional 'Picnic Day' (with activities to be announced), a day of challenging fun is promised for Year 12's last hurrah together. The morning of Thursday 21 September is the Principal's Breakfast, Mrs Burke, Mrs Clifford, Ms Hunt and Ms Harlor will be cooking up a storm for Year 12 to enjoy with their support crew – their teachers. Breakfast should provide sustenance enough to get them through the day with its packed itinerary, including a rigorous practice session in the Auditorium to prepare for the Year 12 Graduation Night. A night of celebrating our students' hard work, citizenship and academic achievement. Their last school assembly will follow,

where students from Years 7, 8, 9, 10 and 11 farewell Year 12 as they are called up to the podium.

Congratulations to the following students who have reached Gold, Silver or Bronze level in the school's merit system this year. Most of these students have already been presented their certificates at Year meetings. Students who have qualified to be on the merit system since the end of last term will receive their certificates at their next Year meeting.

Gold

Meghan Fox (this is Meghan's second Gold certificate!), **Payton Williams** (Year 11), **Aurelia Noronha** (Year 10)

Silver

Amanda Valceski (Year 12), **Madison Gruevska**, **Hayley Maynard Khourey** (Year 11), **Marija Knezevic** (Year 10), **Thomas Brinton**, (Year 9), **Kobie Kokkin**, **Darby Ball**, **Michelle Graham**, **Nina Graovac**, **Zali Moore**, **Kirstie Tye**, **Chloe Jovanoski**, **Alicia Sturman**, **Jake Broadhead**, **Grace Siminski**, **Tayla Cunningham**, **Tessa Baldock**, **Halie Josephson** (Year 8)

Bronze

Xoese Attipoe (Year 12), **Tori Saros**, **Rory Whinn** (Year 10), **Kamien Hockey**, **Ethan Anderson**, **Caleb Rajaratnam** (Year 9), **Jaylen Lakicevic**, **Ange Amani**, **Connor Bique**, **Chloe Hancock**, **Lachlan McAnally**, **Aleesha Battle**, **Sam Taafe** (Year 8), **Hayley Asquith**, **Zane Howarth**, **Mikaela Kokkin**, **Benjamin Melrose**, **Caitlin Rodrigues**, **Fares Abdelaziz**, **Scarlett Jones**, **Lawson Munn**, **Dina Salem**, **Anastasia Sekuloska**, **Ethan Carruthers**, **Ella Giles**, **Annika Leeuwerik**, **Mackenzie Thew**, **Erin Wilkinson** (Year 7)

To be considered eligible for Bronze, Silver or Gold level on the school's merit system a student must be able to present the required number of merits (Bronze 15), (Silver 45), (Gold 150). Merit students embrace the school's values of Respect, Safety and Learning. They are cooperative and courteous and prepared to work to the best of their ability at all times. Students can obtain an application form from their Year Adviser.

A Bronze or Silver certificate allows students to participate in merit reward excursions and can be a valuable addition to a student's résumé. The merit excursion for Term 4 will be to Jamberoo Action Park. More information will be given about this excursion in Term 4.

Young Women's Forum

The Young Women's Forum Program offers young women in Year 10, from diverse cultural backgrounds, a safe, supportive and creative environment in which to share themes and topics that are important to them, access information relevant to their needs, and develop their self-esteem and confidence. The program is offered and conducted by youth and community workers from Wollongong Women's Information Service during school terms 2 and 3.

Last week, 1 August 2017, the Year 10 girls who have participated in this year's Young Women's Forum, attended Girl Talk Forum Day at Gwynneville Senior Citizens Centre. The day provided the Year 10 girls with the opportunity to meet up with young women involved from other schools; share experiences and topics relevant to them as young women in a creative and fun way; access and exchange relevant information; and develop their skills and confidence further.

Our students had a great day displaying their skills and experiences, and mingling with other girls from our local high schools. They behaved in an exemplary manner, the feedback from other schools and the organisers of the day was extremely positive, and our girls' performances were highly commended.

Have you got uniforms that you no longer need?
We are always in need of uniforms.
Any students who have spare uniform items in good condition can deliver them to the office for the uniform pool.

From the Wellbeing team

Regional Athletics

The Regional Athletics Carnival was held at Canberra on the 4 August. We had a strong contingent of students attend. The weather on the day made it difficult to compete, as it was very cold. Thank you to Mrs Glasgow who was the team manager on the day. Congratulations to the following students who will now compete at the NSW CHS State Championships in September.

Teagan Williams- 1st in 100m and 2nd in 200m

Alyssa Parks – 1st in Long Jump and 1st in 400m

Tahlia Bourke – 1st in High Jump

Kina Suli – 1st in Shot Put

Tate Harland – 2nd in High Jump and 2nd in Discus

Benjamin Plumb – 3rd in 100m and 2nd in 200m

Cameron Lodge- 2nd in 400m and 1st in 800m

Blake Barklay- 1st in 110m hurdle

Kayden Hill – 2nd in 3000m

Relay Teams

14 year girls relay – Teagan Williams Alyssa Parks, Molly Westwood and Sariah Wilson

17 year girls relay – Payton Willimas, Kassidy White, Camelia Ali and Demi Westwood

16 year boys relay – Blake Barklay, Dexter Dembele, Cameron Lodge and Alex Masciovecchio.

NSW CHS Gymnastics

Jarrold Buick recently attended the NSW CHS Gymnastics Championships at Homebush as part of the South Coast Team. Jarrold excelled at this event placing 1st in all 6 events. He came 1st in Pommel, High Bars, Parallel Bars, Rings, Floor and Vault.

This meant that Jarrold came 1st overall and secured himself another GOLD medal. This was an outstanding achievement to receive 7 GOLD medals at a CHS Championship event. Well done Jarrold.

Open Boys Soccer

The Figtree High School Boys Football Team play Moruya High School for the South Coast Football Championship on Wednesday 23 August.

The team made the quarterfinal stage of the main draw before being defeated by Menai High School.

The Year 12 students who have played in the team for years are listed below. All players have been great servants to football at Figtree High School and as a representative at South Coast level.

Connor O'Neill

Lachlan Pattman (in distance, receiving pass)

Matthew Tschentscher

Travis Anderson

Tyren Maclou

Emmanuel Hondroudakis

Tell Them From Me: Parent Survey

Dear Parents and Carers

You're invited to participate in the *Tell Them From Me (TTFM)* Partners in Learning survey, designed for parents and carers. This survey complements the TTFM student and teacher surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose.

Why should I participate?

Parents and carers are an important and valued part of the school community. Schools will be able to use the survey feedback to make practical improvements and inform their school plan.

What does it involve?

This is an online survey that takes about 15 minutes to complete. It is anonymous, and voluntary. If you have more than one child at this school, and feel that your children's experiences differ, you can complete the survey more than once.

How can I participate?

You can access the survey in your own time, between 21 August and 13 October 2017. Follow the link below on your computer, tablet or smartphone:

<https://nsw.tellthemfromme.com/figtreehs>

The survey is available in English, Arabic and Chinese (Traditional). After clicking on the link above, parents will have the option to choose their language.

More information on the Partners in Learning survey can be found on the NSW Department of Education's TTFM website:

http://surveys.cese.nsw.gov.au/images/TTFM_Parent_Survey_FAQs_Parent_and_Carers_T32017.pdf

Reminder - Closure of Bulli Pass (Princes Highway) from Monday 28 August to Friday 3 November

The NSW Government is funding this \$5 million safety project to install 1.1 kilometres of rock protection fencing along Bulli Pass.

We thank the community for providing feedback on the planned closure. This information has been considered in our traffic and emergency management plans to help minimise the impact of the closure.

Roads and Maritime Services will carry out the second stage of safety work on Bulli Pass from the M1 Princes Motorway to the hairpin bend.

For the safety of all motorists and workers the road will be closed for up to ten weeks from 9am Monday 28 August to 3pm Friday 3 November 2017, weather permitting.

Bulli Pass will be open in both directions over the October long weekend from 3pm Friday 29 September to 9am Tuesday 3 October 2017.

Work will be completed as quickly as possible in day and night shifts, seven days a week. This is the safest and most suitable option to complete this essential work and reopen the road to motorists on time.

How will the work affect you?

To minimise the impact on motorists we have carefully timed this essential safety work to avoid the busy summer and tourist season.

No routine maintenance work will be carried out on detour routes during the closure to help reduce the impact on travel times.

Traffic changes

Traffic changes will occur due to this safety work. Bulli Pass will be closed from the M1 to Lawrence Hargrave Drive in both northbound and southbound directions. Access for local traffic will be limited to between Lawrence Hargrave Drive and the hairpin bend.

Detours will be in place via Memorial Drive and the M1, or via Lawrence Hargrave Drive and the M1. Motorists should allow an additional 15 to 30 minutes travel time depending upon their destination.

Detour maps are available on our website rms.nsw.gov.au/bullipassclosure.

There will be additional traffic on the detour routes and motorists should plan their journey and allow extra travel time.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Incident management

Roads and Maritime, with NSW Police and Emergency Services will be monitoring all detour routes during this closure. Tow trucks and other resources will be on standby to clear any incidents on the detour routes as quickly as possible.

Contact

For more information, please contact our Project Manager, Daniel Jones, on 02 4221 2736 or southernprojects@rms.nsw.gov.au.

You can also visit the project website rms.nsw.gov.au/bullipassclosure for more information including a frequently asked questions fact sheet and for updates on the progress of work.

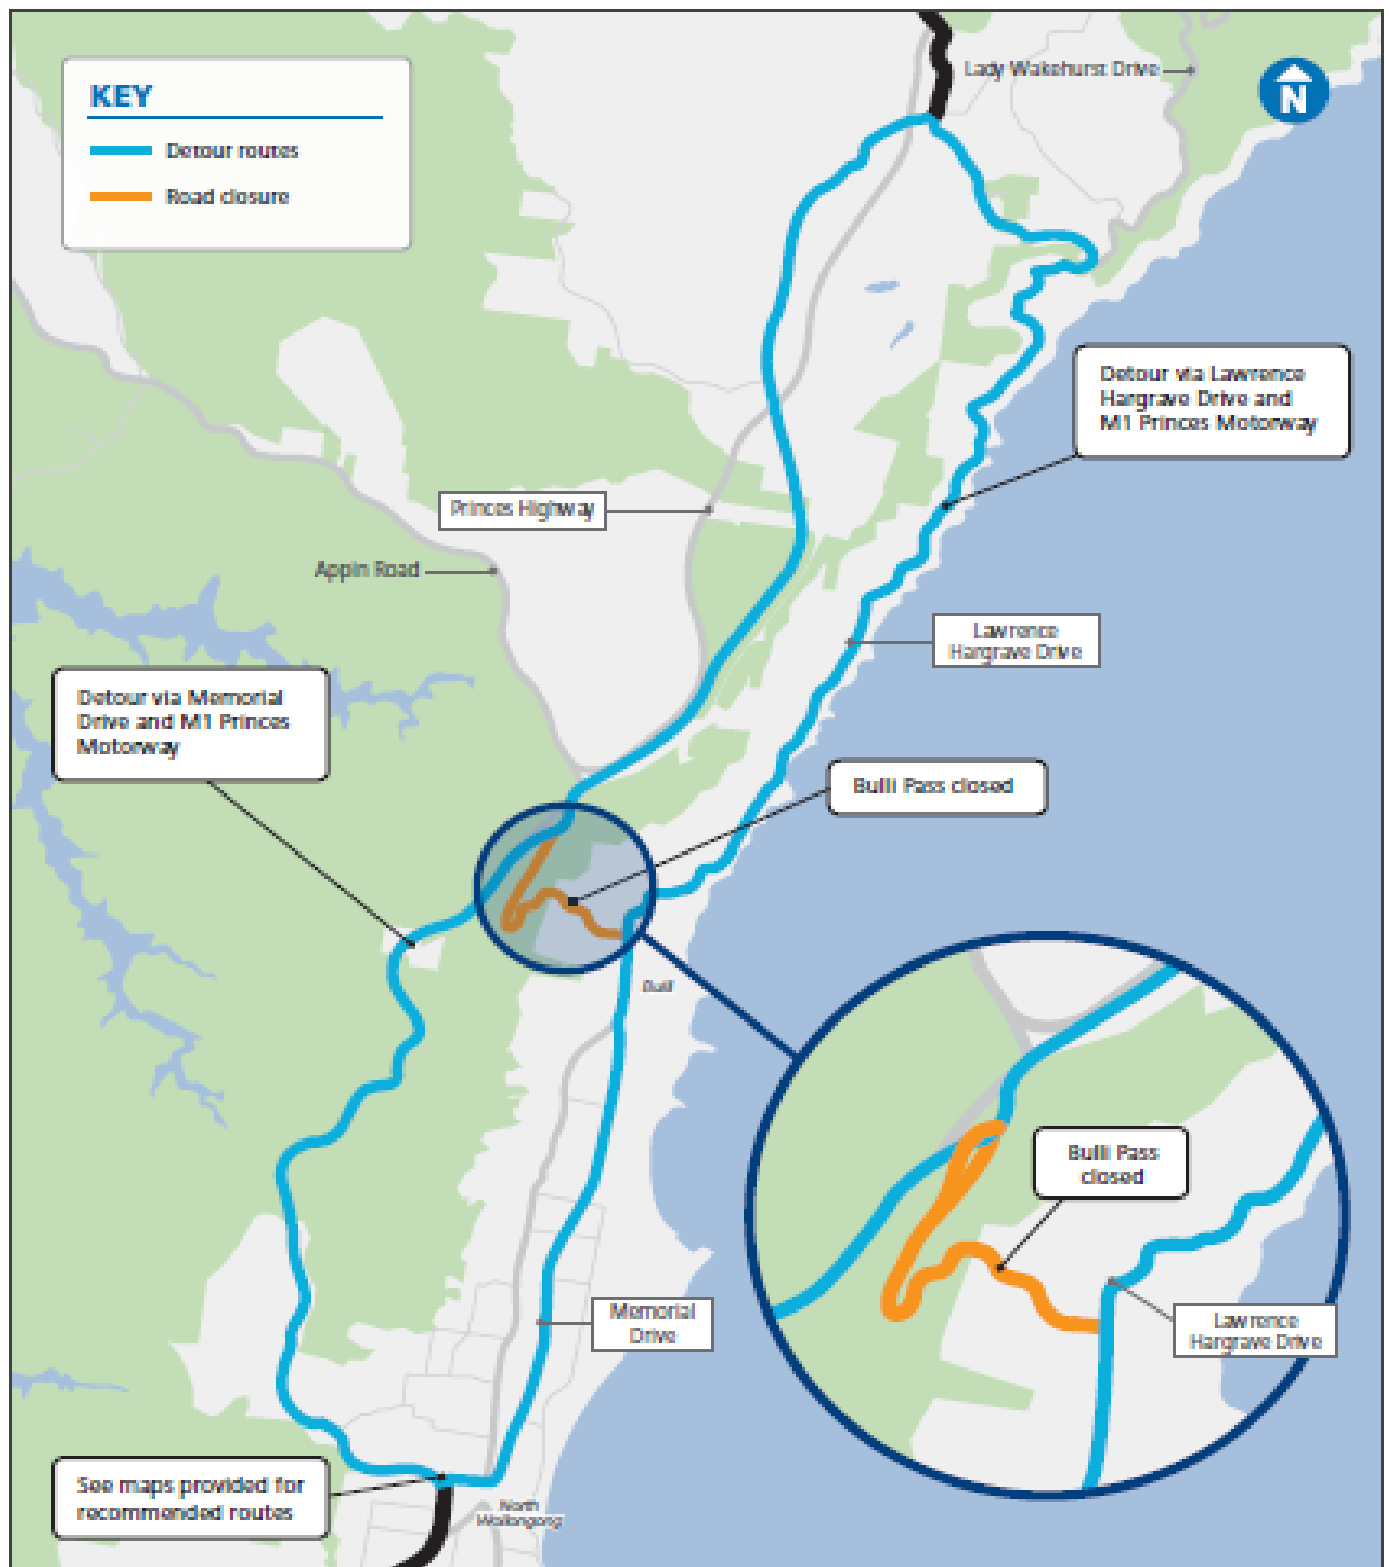

We recognise the inconvenience of the closure and appreciate your patience while we carry out this essential work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on (02) 4221 2460.
